

Halloweentime & Fall Disneyland Bucket List

Fall is a very special time for The Disneyland Resort. As the weather starts to cool and the Parks get less crowded, many Disneyland die-hards return after a summer hibernation. It helps that the start of fall also means the start of Halloweentime at The Disneyland Resort, when Disney Villains take over Main Street USA and pumpkin treats reign supreme. You don't want to miss any of the treats or tricks Disneyland has to offer during this season, so use this handy checklist to make sure you see (and eat) it all.

- The list begins before you even get to Disneyland! On the tram from Mickey and Friends parking structure, look for the two Halloween dioramas along the way.
- Before you go through the gates, look up! Large pumpkin versions of the Fab 5 welcome you to Disneyland!
- Admire the fall colors of the floral Mickey arrangement after entering through the front gates.
- Score some Halloween-themed Mickey ears (or DIY your own before you go!)
- Grab a spirited shirt while you're at it.
- Photo op with the giant Mickey Jack-o-lantern on Main Street USA.
- Count the pumpkins high above the Main Street USA shops - no two are alike!
- Admire the character pumpkins around the Partners statue. Each one represents one of the lands at Disneyland! Can you match them all?
- Ride Ghost Galaxy Space Mountain.
- See two holidays collide at Haunted Mansion Holiday.
- Pose for a photo with your favorite Disney characters dressed in Halloween-themed attire.
- Also keep an eye out for villains wandering Main Street!
- Stroll through the shops to see all the amazing Halloweentime decor and displays.
- Grab one of the popular Oogie Boogie popcorn buckets. They glow in the dark!
- Read the plaque under the Halloween Tree in Frontierland.
- Get Jack and Sally's autograph in New Orleans Square.
- Now that the weather is cooler, break out your scarves and gloves and chow down on some gumbo in a bread bowl.
- Splurge for the Happiest Haunts Tour.
- Attend Mickey's Halloween Party.
- Take home a spider web or bats Mickey balloon.
- Trade for a Halloween pin from a Cast Member.
- Have your face painted at the Dia de los Muertos celebration.
- If you're staying at a Disney Hotel, add a "Spooktacular Celebration " package to be delivered to your room.
- Sip and savor at The Halloween Classic Afternoon Tea at Steakhouse 55! (Although good luck getting a reservation ...)
- Don't forget a picture under the Halloweentime signs along Main Street USA on your way out.
